### About package:

The Isla presents open plan living at its best. Offering a seamless transition between indoor and outdoor living, the focal point of this home is its rear living and entertaining areas. These elements reflect an appreciation of today's lifestyle needs and ensures that the home offers something for everyone.

The resort style gourmet kitchen with island bench and walk-in pantry is in prime position overlooking the meals and family areas, then to the alfresco. Plenty of natural light and fresh air will filter throughout the home, giving it an even greater open feel, while sliding doors extend entertaining onto the generous alfresco.

Privacy and relaxation is offered through well zoned bedrooms, this is emphasised by the master suite being positioned away from the other three bedrooms. This private sanctuary is complimented by a walk in robe and large ensuite with dual vanities.

An additional media/lounge provides the perfect space to relax, unwind and enjoy. In the Isla, you'll feel like you're on holiday all year round.

Positioned on a 622m2 block in Macksville Heights Estate, the Isla is a simple and uncomplicated design that makes the perfect home for the modern family.

The Isla turnkey package features:  
• 'Helena' feature façade
