### About package:

The Robson presents open plan living at its best. Offering a seamless transition between indoor and outdoor living, the focal point of this home is its rear living and entertaining areas. These elements reflect an appreciation of today's lifestyle needs and ensures that the home offers something for everyone.

The resort style gourmet kitchen with island bench and walk-in pantry is in prime position overlooking the alfresco, meals and family areas. Plenty of natural light and fresh air will filter throughout the home, giving it an even greater open feel, while sliding doors extend entertaining onto the generous full width alfresco.

Privacy and relaxation is offered through well zoned bedrooms, this is emphasised by the master suite being positioned on the lower level away from the other three bedrooms which are upstairs. This private sanctuary is complimented by a very large walk in robe and large ensuite with dual vanities.

An additional media/lounge on the lower level and an upstairs retreat and study provide the perfect spaces to relax, unwind and enjoy.

Positioned on a 603m2 block in Woolgoolga Heights Estate, the Robson makes the perfect home for the modern family.

The Robson turnkey package features:

• 'Kennet' feature façade
