About package:

The Georgia home design encapsulates modern Australian family living, designed to capture the opportunity to entertain while also creating great separation between living zones. The flow of this home allows easy movement between the kitchen, dining, living and alfresco areas, while also offering a separate media or lounge room to add a level of luxury. The master retreat located at the front of the home is separate from other bedrooms and includes an ensuite and walk-in-robe and acts as a private sanctuary.
