About package:

The Macleay home design is intended to suit a small lot yet not compromise on delivering everything you would come to expect from a modern family home. Cleverly integrating the alfresco area with the open plan living and kitchen zones creates a generous space that is ideal for entertaining year round. The master retreat adds a touch of extravagance while the children's zone offers space and privacy for the entire family. While it may be compact, the Macleay is also clever and classy.
